PROFILE

Software Engineering student at SIT seeking part-time work. Experienced in leading teams, organising events and working with data through National Service, student leadership and an internship at LTA. Available on-site on weekends and remotely on weekdays.

EXPERIENCE

Detachment Commander (Terrex Armoured Vehicle), Singapore Army · Aug 2024 – Aug 2026

- Rated Outstanding for performance and conduct, and regularly trusted with the platoon's more demanding tasks.
- Co-led a team of 12 soldiers and commanded a vehicle crew through the battalion's unit evaluation exercise.
- Took part in a joint training exercise with the US Army.
- Oversaw 900+ laser training components across 47 vehicle sets and kept them ready for training.

Intern, Land Transport Authority (LTA) · Sep 2023 – Nov 2023

- Developed a Power BI dashboard with a teammate to track bus maintenance patterns, and presented it to management.
- Supported an IT equipment refresh across LTA offices and depots as the point of contact with the vendor.

LEADERSHIP & ACTIVITIES

Leadership and Development Secretary, Nanyang Polytechnic Students' Union · Jan 2023 – Dec 2023

- Organised campus-wide events as overall lead or committee member, including NYP Open House and Freshman Orientation.
- Coordinated with school administration and external vendors to deliver events on time.
- Managed event budgets from a few hundred to several thousand dollars for audiences of thousands.

Leadership Certifications, Singapore Armed Forces

- **Organisational Relationship Building**, **Personal Effectiveness**, **Vision Leadership** (Level 3) · SAF Specialist and Warrant Officer Institute · Feb 2025
